For those wanting to extend only to Tikal: double occupancy. single occupancy subsidy.

In Tikal we can go to Hotel Flores outside the park which is a modern hotel with modern amenities and cell phone service. Or we can opt to stay in the National Park overnight staying in a hotel where you can hear the jungle life such as the monkeys at night. Disadvantage is your cellphone does not work in the park and the power goes out at 9pm so think more like Luxury Camping. The highest votes will decide where we stay/ This decision will be made by those registered by May 31st.
