Introducing Realm

An easier way for each of us to Connect, Communicate, Serve, and Grow Together

All Saints Episcopal Church is excited to introduce Realm, a secure, church-dedicated online platform designed to strengthen our parish community, deepen engagement, and enhance communication for every member of our congregation.

Realm is not social media. **It is a trusted tool created specifically for churches** to help members connect more meaningfully, discover opportunities to serve, and stay engaged in the life and mission of our parish.

Why Realm Matters

As we move to active participation in the parish, Realm helps us by:

Supporting Pastoral Care – Allowing clergy and lay leaders to care for our parish family more personally and effectively

Connecting People to Ministry – Making it easier to discover and join ministries, volunteer roles, and service opportunities

Strengthening Community Engagement – Helping parishioners build relationships and serve together

Encouraging Stewardship of Time & Talent – Matching gifts, skills, and availability with real needs

Improving Communication – One clear, consistent place for parish news, events, and updates

Realm helps everyone at All Saints move beyond attendance toward active discipleship and service.

What You Can Do in Realm

- Stay engaged with Realm on your computer or on thee Connect mobile app
- Update your personal information and serving preferences
- View your giving statements, pledge history, and create new pledges
- Set up your communication preferences such as email, in-app notifications, or via text
- Update and manage personal and household contact information
- Join ministries, small groups, and volunteer opportunities and sign up to serve
- Find new events or serving opportunities
- Connect with fellow parishioners through the parish directory (opt-in only)
- Receive timely parish communications and event reminders

You can use Realm on both your Computer and Smartphone

Your Privacy & Security

Realm was built specifically for churches and uses industry-standard security practices. Your personal information and giving records are secure and private. Only authorized church leaders have administrative access, and you can decide what information is visible or not to your fellow parishioners.

Rooted in Faith. Growing in Service.

Realm is one of the ways All Saints is strengthening our communications and stewardship. By joining Realm, you help our parish communicate more clearly, care more deeply, and serve more faithfully within our church and throughout the Fort Lauderdale community.
